

OTHER COUNTRIES WANT TO BE PEACEMAKERS

But Doubt Is Expressed Whether Mediation Can Stop Hostilities at Present Stage

Washington, April 28.—While it was declared Gen. Huerta would accept mediation today it is known he is planning to make demands which will be impossible for the United States to consider. The three probable terms he will name will be:

Withdrawal of American troops from Mexico.

That there be no negotiations with Villa or other revolutionary leaders.

Recognition of his Government by the United States.

One of these conditions can be the United States agree.

European diplomats in Washington, it was learned today, are pessimistic over the successful outcome of mediation proposals by South American Governments to prevent war in Mexico.

While the action of Great Britain, Germany and France in urging Huerta to accept the good offices proffered by Brazil, Chile and Argentina has an encouraging effect on officials here, there are a few who believe that success can eventuate from the undertaking.

The Spanish Ambassador's advice from Mexico City are such as to warrant him in stating that Gen. Huerta had accepted the proposals of good offices.

The Ambassador is now awaiting the formal and official acceptance, and until this is received the three mediators will not begin their formal session.

Meantime they have been informed by Senor Riano of Gen. Huerta's purpose and are holding preliminary meetings to consider their line of procedure when the formal acceptance are in hand.

It is stated those who are undertaking exercises of caution do so without any commitment on their part as to conditions one way or the other.

When the formal acceptance are concluded it is expected that each side will formulate conditions, and it will then be for the mediators to try to find some common ground for agreement.

Just how far these conditions will go—as to an insistence on our side that Huerta be eliminated, or a claim on the other side that he be recognized, as well as the Tampico flag incident and the Vera Cruz situation—remains to be developed as the negotiations advance to a more definite stage.

Latest News From Vera Cruz

Vera Cruz, April 28.—There was rejoicing here today when news was received from the British Minister, Sir Lionel Gorden, in Mexico City, that Gen. Huerta had agreed to permit another refugee train to leave the capital and that 250 foreigners, including Americans would arrive in Vera Cruz tomorrow.

Previously the hopes of Americans here who had relatives and friends in the capital had been buoyed up by a statement given out in behalf of Admiral Fletcher that he had information which led him to hope for the early arrival of more American refugees from Mexico City, for the better treatment of all Americans there and possible for their eventual release.

It is in importance to these developments is the expected arrival of the troops commanded by Gen. Adolfo Flores. The soldiers were expected before night fall and the sailors on the battleships along the city front beyond the breakwater eagerly scanned the horizon for the smoke of the battleships and the transports she was conveying.

Nelson O'Shaughnessy has in his possession a letter from Huerta which is a virtual declaration of war upon the United States. The letter accompanied the passports of Americans in the capital and American Charge d'Affaires just before his departure from Mexico City. The letter may yet play an important part in the war, for it would serve as a basis upon which Congress could declare that a state of war exists between this country and Mexico. The substance of the letter has been wired to the state department.

O'Shaughnessy came ashore today from the battle ship Minnesota, where he spent the night as the guest of Admiral Fletcher. He was accompanied by Consul-General Shanklin. The two men were escorted for a long time with Consul Canada. A demand has been made on the German Legation in Mexico City to surrender the arms imported for the protection of the German residents there, according to information reaching here.

Admiral Von Hintz, the German Minister, replied:

"If you get the arms you will have to fight for them."

Lieutenant R. C. Sauley in an aeroplane from the American fleet made a flight over Vera Cruz shortly before noon today. On attaining an altitude of several hundred feet he made a circle around the city and then descended over the outskirts and observed the position of Mexican Federal forces.

The foreign Consuls today called in a body at military headquarters and urged the adoption of a settlement that would quickly restore complete tranquility, and promising their co-operation, or at least their moral support. The Consuls were assured that there was no intention to subject the residents much longer to the danger of bullets from sniping. It was decided that hereafter all American marines and blue jackets shall be withdrawn from all roofs, except at a few designated points, such as church towers, and that the patrols shall be instructed to shoot to kill any other individuals seen on any other roof after 7.30 o'clock in the evening.

The patrols also will be instructed to surround and search any house from which sniping is being done, and any person guilty of indulging in this practice. It is realized that much of the trouble has been caused by the idle and vicious element, and prisoners of this class will be held in some building or inclosure in the outskirts and will be compelled to do much of the work which is now being done by the marines and blue jackets.

Refugees arriving today from Mexico City on the train leaving the capital.

WILL SEE ACTIVE SERVICE

Lincoln County Boy in Navy Sent to Front With Aeroplanes

Dispatches from Washington state Lieut. Caswell Sauley, of Stanford, who is in the navy aviation department has been sent from Pensacola, Fla., to the scene of hostilities in Mexico, with the fleet of flying ships. A dispatch in a Louisville paper said:

Lieut. R. C. Sauley, of the aviation corps of the navy, was among the first of that branch of the service to participate in the campaign in Mexico, and he will for the first time introduce the flying ship in actual warfare on this continent. It was stated at the Navy Department today that Lieut. Sauley has been rushed to Mexico, together with other officers in the aviation corps of the navy. The aviation corps of the army also will be utilized in Mexico. Lieut. Sauley married a daughter of Judge E. C. O'Rear, of Frankfort. He is widely known in Kentucky, and prominently connected through the Sauley family. At the department it is stated he stands very high in the opinion of his superiors.

Uncle Sam's aeroplane fleet will be widely used by both the army and navy if active war comes with Mexico. It would be the first real test of these fighting machines in actual conflict between two hostile nations. Airships were used in the Balkan War and in Tripoli, but in neither instance were they given a sufficient tryout to determine their usefulness.

Another dispatch said this of Capt. Brittain, a brother-in-law of Mrs. W. H. Shanks, of Stanford, and well known here: There is one Kentucky naval officer who comes with Mexico, at the bit and who would enjoy speeding to Mexico to take a hand in the fighting there, but who is prevented from doing so by the important character of his work here. He is Capt. Carlo Bonaparte Brittain, in charge of the aid to personnel of the Navy Department.

Capt. Brittain is a product of Bell county, Ky., who has made an enviable record in the service. He now claims Richmond as his home, his wife's relatives living there. While detained in Washington few men are taking a more prominent or more important part than Capt. Brittain, as he has his finger on the naval pulse and is in direct charge of the sending of warships, keeping in touch with them and a thousand and one other things.

A C. Atchley, the efficient foreman of the I. J.'s composing room, is greatly interested in the work of the marines at Vera Cruz, for he has a son, Irvin Atchley, who is a marine aboard the battleship Florida, which was the first ship of Admiral Badger's fleet to land men at Vera Cruz and drive out the Mexicans under Gen. Maas. Young Atchley is in the navy from his home in Tennessee. Besides his son, Uncle Sam's service for three years and has made a fine record.

Home Paper on Judge R. G. Williams

(Covington Press)

It requires a pretty good sort of lawyer to "get by" successfully as Commonwealth's Attorney Judge R. G. Williams has accomplished the feat. Not only has he filled with great credit the position of prosecuting attorney, but he has made all elements admit the truth of the assertion. Absolutely fearless Judge Williams has performed the duties of his office with rare ability and discretion. While politicians are bawling the midnight oil in the effort to secure a strangle hold on their jobs, this capable official was busy attending to the arduous duties of his position.

John Powell Sentenced for Life

A life sentence to the penitentiary, was given John Powell, of Barbourville, the alleged assassin of his brother-in-law, Henry Fultz, the plea of temporary insanity not being heeded by the jury. Several favored inflicting the death penalty. Fultz, a wealthy farmer, of near Barbourville, was shot from the chest by Powell, who was then fired upon at his home two months ago. Powell was caught after rewards aggregating \$1,000 were offered.

P. O. FIGHT GETTING WARM

Farra or Mount Two Favorites in Betting But Others are Hopeful

The chief topic of discussion among politicians at Lancaster these days is the disposition of the postoffice. The race, Mr. Farra has just returned from Washington, and wears a knowing smile, while Mr. Mount's friends are claiming that he has it nailed down. All friends of the candidates are doing a lot of wire pulling and making visits testifying that they will see to it that he is out of it.

Robinson Loses at Lancaster

A dispatch to the Cincinnati Enquirer from Washington Saturday, said: Washington, April 24.—Thomas B. Robinson, of Lancaster, Ky., who attended to the race, Mr. Farra has just returned from Washington, and wears a knowing smile, while Mr. Mount's friends are claiming that he has it nailed down. All friends of the candidates are doing a lot of wire pulling and making visits testifying that they will see to it that he is out of it.

TWO MORE "BOYS" IN THE WAR

Bill Barnett and Raymond E. Cash in Fight in Mexico

Relatives and friends at Rowland have received news that a Lincoln county boy, Will Barnett, who joined the United States marines some time ago, was among the sailors who were arrested by the Mexicans at Tampico, which was what caused all the trouble with the southern country. Young Barnett is in the navy from his home in Kentucky. Besides his son, Uncle Sam's service for three years and has made a fine record.

Excitement from the Big Fire

The excitement from the big fire we had in town has about died down and the people are getting back to business as usual. The ones who lost in the fire are very grateful to those who fought so hard to save their homes, but it was partly in vain, King, Huston, Jerry Toombs and Cleo Thomas, as well as all the rest, want to take this means of thanking the good people for the hard they put up and they want to assure every one that they were sent away from the depths of their hearts. One of the hardest fights that has been known with the bucket brigade here that was ever witnessed and we, as citizens of this town want to especially thank the good people of Hustonville for their help and quick response to our call for help, and we hope the time will come when we can return the kindness, but we hope it will not be in the same way.

After Fifteen Minutes of Firing

The Prairie and the San Francisco ceased and pushed steadily ahead, deploying around the front of the college. A few shots were directed at the college, but none came from the college. The Chester continued hurling shells into any building where snipers lurked and also far out into the suburbs.

Monday was Horse Show Day

Lancaster and a big crowd was in town to watch the blue blooded equines. About a dozen were exhibited and were put through their paces on Lexington street. Several Lincoln county animals were taken over and made a fine impression on the Galloway farmers.

Toll House Property Bought \$800

Special Master Commissioner, C. Hays Foster went to Liberty in company with Circuit Clerk Marshall Newland Monday and sold the old toll gate property on the Coffey's Mill pike under order of court. It was bought for \$800 by J. C. Coulter, who has property adjoining. The place consisted of a house and about five acres of ground. Monday was county court day at Liberty, and the Coffey's Mill is the big day there and only a small crowd was in town.

How They Feel About It in Madison

Attend Funeral of Mrs. Harris

Harvey Chenualt, T. T. Covington, Walter Bennett and Will Miller, composed one party and George and Irvine Hume, Mrs. Kit Chenualt and Mrs. Amelia Wagers were another party of Madison county relatives who came to Stanford last Friday to attend the funeral of Mrs. Susan A. Harris, who was buried that afternoon. Rev. W. E. Arnold, now presiding elder at Danville, who was long her pastor here, assisted Rev. C. H. Greer in conducting the funeral services. Scores of other friends and loved ones, and out of this county, came to pay the last tribute of respect to the memory of this good woman.

MANY WANT TO GO TO WAR

Judge Davison Gets Many Applicants From Men who want to Enlist

Judge R. L. Davison, of Stanford, who has volunteered his services to raise a company of soldiers for service in Mexico is meeting with a ready response from the patriotic young men of Lincoln county and vicinity. He is already taken down the names of fifty who want to enlist when the company is organized, and plans are on foot for a preliminary meeting to enlistment, men dress in drill, etc., will be fixed. Dr. Davison has secured the use of the second floor of the L. J. building for an armory and arsenal where the equipment will be stored and plans to push work of organization in anticipation of the call for 40,000 volunteers for service, which seems at hand.

Good Work on Main Street

Mayor A. B. Florence, and the Street Committee of the City Council are having some splendid work done improving Main street during the good weather. They have rented the county's scraper and road roller and with much new metal on the thoroughfare are giving it a good dressing and hard packing afterward. Chief of Police B. Carter is actively in charge of the work and is doing a fine job which will be of much benefit. Many citizens suggest that if Main street is oiled on top of this a forward step toward abating the dust nuisance this summer will have been taken.

George P. Bright Gets Nice Place

Col. George P. Bright, of Stanford, has been appointed a Storekeeper-Garage by Collector John W. Hughes, and has been assigned to a distillery at Whitley City, Kentucky. Col. Bright, who returned home last week, and the funeral of his mother-in-law, Mrs. Susan A. Harris, states that he is greatly pleased with the work at his station. He is an ex-Confederate and a strong democrat and will make a fine man for Uncle Sam's service.

Stanley Says Kentucky With Wilson

A special dispatch from Washington Friday said: Representative A. O. Stanley returned today from Kentucky, where he made several political speeches. From what I can learn, this rank and file of the people of Kentucky are behind President Wilson on Panama Canal tolls, the stand he has taken regarding the Mexican situation and on the other matters which he is advocating.

Pardoned After 21 Years in Pen

After 21 years spent in prison, Gallie Wright, a Bell county negro woman has been pardoned by Governor McCreary at the instance of Judge W. C. Hall, who prosecuted her. She handed a knife to her lover, who was in an altercation with another negro, and he killed his adversary. The pardon was sent to Judge Hall, in order that if some friend of the woman desires it, she can be sent for. Gallie is 45 years old, having spent nearly half her life behind the walls.

EUBANK

The election last Friday to vote \$300,000 bonds to build pikes in Pulaski county, resulted in the issue being decided by 158 votes. The entire vote cast was over 5,000. The "good roads" advocates waged a warm campaign but were defeated through the intervention of a few politicians gave opposition. The northern part of the county voted almost solidly for the bonds. This precinct stood 146 for the bonds and only five against. Another election will be called in 60 days and the issue will carry by a large majority as all organized opposition is now eliminated.

BECKHAM HERE MAY 9th

Will Speak at Stanford in His Campaign for United States Senator

Gov. J. C. W. Beckham, who is making a great race and his friends say, a sure winning race, for the democratic nomination for United States Senator, will speak in Stanford on Saturday afternoon, May 9th, and it is an assured fact that a large crowd will be on hand to hear him. Gov. Beckham, as is well known, won the democratic nomination in the primary six years ago, but four so-called democratic members of the legislature were induced to vote against him. One of them, E. W. Lillard, of Boyle county, is now the private secretary of Senator W. O. Bradley, the republican for whom he voted and who was elected with the votes of the four renegade democrats. In his campaign for the nomination this time, Beckham makes no reference to the treachery by which he was beaten before, but his friends say that democracy all over the state have not forgotten it and that they will see to it that the wrong is righted.

Excursion to Frankfort Saturday

The twenty-fourth annual convention of the Kentucky Christian Endeavor Union will be held at Frankfort in the First Christian church Friday, Saturday and Sunday. About 400 delegates are expected to be there and a number of prominent speakers will deliver addresses. The Woman's Club of Lancaster made arrangements for an excursion, that will leave here at 4.30 in the morning and return at 9.20 that night. This trip can be made for \$2. This will be an excellent opportunity to see the new Capital, Governor's Mansion, State Penitentiary and other interesting points and also to attend the State Christian Endeavor Convention.

Bunk Raum Pays a Big Fine

Bunk Raum, notorious as a negro bootlegger, who has given the Danville authorities much trouble in recent years, served out his full term of work house sentences last week and is now a free man. When released Raum had still hanging over him fines aggregating \$2,300. Rather than continue the litigation the proposition to pay \$2,000 in settlement of the fines was accepted by the court officials, and the money paid into the city treasury. Raum has quit the sale of liquor and now lives peacefully on his bluegrass farm near Danville.

School Children Injured

Quite an accident occurred near Buena Vista, in North Garrard, when one of the wagons employed by the new Consolidated School in that section turned over, injuring several of the children. The vehicle was in charge of William Scott, and when descending a hill one of the lines broke and the wagon overturned when reaching a culvert. Twelve children were in the wagon at the time, and all but two were injured, none seriously, however, except a little daughter of William Scott who sustained a fractured shoulder.

MRS. ELIZABETH HIGGINS GOES TO HER REWARD

Another of God's Noble Women Is Called up Higher After Long and Useful Life

Another of God's noble women was called on high to the reward for which she had waited so long, Sunday morning, when Mrs. Elizabeth McRoberts Higgins, aged mother of W. H. Higgins and Mrs. George D. Hopper, passed away at the residence of her son, W. H. Higgins, on Main street. Mrs. Higgins had been an invalid for a number of years, and was one of the oldest women in the county, being in her 89th year, when the summons came to come up higher. Although afflicted with age and confined to her home for a long while, a splendid constitution and the tenderest ministrations of loved ones sustained her remarkable strength, and with her trials and tribulations, she calmly awaited the end, happy in the sure promise of the Lord and waiting expectantly for His summons.

Mrs. Higgins was born at Walnut Plat, this county, Sept. 14th, 1825 and was the daughter of Andrew McRoberts and his wife, who was Margaret Moore before their marriage. In early life she joined the old Cumberland Presbyterian church and throughout her long life was a faithful and devoted member, an active church worker, doing good wherever she found the opportunity and working ever for the upbuilding and advancement of the Master's kingdom.

On Nov. 14th, 1849, she was married to William M. Higgins, a prominent farmer, of the eastern section of this county, and to this union, three children were born, Mrs. George W. Hopper, W. H. Higgins and Margaret Ann Higgins, the last named of whom died April 14th, 1879. Mrs. Higgins was one of 12 children. She survived all of her brothers and sisters.

Her loving helpmeet, preceded her in the grave twenty years ago, having died February 18, 1864. After the death of her husband, the deceased moved to Stanford and for a number of years had made her home with her son.

Besides her two children, she is survived by ten grandchildren, one having passed over the Dark River before her. Her grandchildren are Rev. Alfred A. Higgins, of Glasgow, Dr. W. H. Higgins, Jr., of Richmond, Va., and Misses Mary and Elizabeth Higgins, of this city; Rev. W. H. Hopper, of Burnside, Prof. Walter O. Hopper, of Mt. Sterling, Prof. George D. Hopper, of Muncie, Ind., Joseph H. Hopper, of this city, and Miss Margaret Hopper, also of Stanford, and Miss Julia Higgins, of Richmond.

Funeral services of this good woman were held at the residence of her son, W. H. Higgins, Tuesday afternoon, at half past two o'clock conducted by Rev. P. L. Bruce, of Stanford, and Dr. E. M. Green, of Danville, after which the remains were interred in Buffalo Springs Cemetery. The pallbearers were Messrs. W. H. Hopper, W. O. Hopper, George D. Hopper, Joseph Hopper, A. A. Higgins, W. H. Higgins, Jr., G. A. McRoberts, J. A. McRoberts and J. W. Rout.

Garrard Democrats Endorse Wilson

(Lancaster Record)  
Democrats all over the Eighth District are aroused by the impression put out that they were not in sympathy with the administration's policy to repeal the Panama Toll Act, sent a flood of telegrams to President Wilson endorsing his position. It is reported that these telegrams went into the White House from leading Democrats all over the district.

A paper was circulated in Garrard county addressed to the President and endorsing his stand to repeal this measure and congratulating him upon the success of the democratic administration. In a few hours several hundred names had been secured, among those being most of the county officers, all the democratic officials, democratic officials of the various banks and leading democrats to whom the petition was presented. Not a single democrat refused to sign the petition to whom it was presented. It was very manifest that the democratic party of Garrard county is solidly behind the President on his position of repealing the Toll Measure. It is reported that similar papers are being circulated and freely signed by democrats in other counties of the District.

### LANCASTER

Mrs. James Halloway and little daughter, of Chattanooga, are guests of Mrs. James Ramsey.

Sturgeon Homer Tinsley, who has been ill of typhoid fever for several weeks is not so well, pneumonia having recently developed with the fever.

Mrs. John J. Bastin and children, of Sublette, Ill. are guests of her parents, Mr. and Mrs. John Walter.

Mr. James Clark, thirty farmer, has been appointed County Road Engineer for Garrard county.

Miss Letty May McRoberts' recital for her music pupils and parents was enjoyed by those present. Refreshments were served the guests by the gracious hostess.

Miss Edith Moore, the attractive little daughter, of Mr. and Mrs. Henry Moore, celebrated her 7th birthday by giving a party to 10 of her little girl friends. Dainty refreshments made the occasion a happy one to the youthful gathering.

Mrs. Howard Rice, of Richmond, Ind., is here for a visit to her mother, Mrs. H. A. B. Marksberry.

The Chautauqua Circle met the past week at the home of the Misses Gill. The subject "Evolution" is still under discussion "Life in the Past" being the theme that interested the members at the last meeting.

Miss Rella Arnold left today for a short stay in Lexington.

The Senior class numbering 14, are making extensive preparations to give the interesting play "The Merchant of Venice" during Commencement week.

The meeting at the Baptist church continues with unabating interest, there having been some 16 or 18 additions. The song service under the direction of Rev. C. S. Ellis and able sermons of the popular pastor, J. W. Beagle attract large audiences.

Mr. James Landram, of London, assistant agent at the L. & N. depot has resigned his position and Mr. Horace Herndon, of this city, has been appointed in his stead.

Mrs. Theodore Curry and W. A. Price were recent visitors in the city of Danville.

Friends will hear with much regret of the alarming illness of Mrs. Alice Barkley Walker, of Nicholasville, a former resident of Lancaster. She has just returned from one of the Lexington hospitals and shows no improvement.

Mrs. Robert Dunlap Blanton who has been with her parents, Mr. and Mrs. J. W. Elmore is now in Harrodsburg visiting her friends, Mrs. Charles Hardin.

Mrs. T. J. Price was hostess on Friday afternoon from 3 to 5 to the members of the Woman's Club. An inviting luncheon was served by the popular hostess, who showered true hospitality upon all.

Mrs. Nellie Ballou, of Stanford, was the recent guest of Mr. and Mrs. E. C. Gaines.

Miss Margaret Munson, of Madison N. Y., is the guest of Miss Letty May McRoberts.

Mr. W. E. Barton, of Oak Park, Ill., has been visiting Mr. and Mrs. Geo. M. Patterson.

Miss Elsie Zimmer is at home after a pleasant visit with friends in Cincinnati.

Miss Emma Nichols has returned to her home in Danville after visiting Mrs. Alex West for some length of time.

Mrs. James B. Collier died at her home in this city after a protracted illness of heart disease age 57 years. The deceased was a faithful and devoted church member for many years. Her love for her family was indeed touching, and she only desired to live to minister to their wishes. Besides her husband, daughter and two sons, she leaves three sisters to mourn her loss, and for the bereft there is much sympathy felt and expressed, knowing in this dark hour, "He who doeth all things well" alone can console.

is better than any other silo. It is made of the best materials, designed in the most scientific manner, lasts longest, cost least for upkeep and repairs and preserves your silage better--much better. The Indiana Silo Company has instructed us to see that every owner of an Indiana Silo is absolutely satisfied--not only while the silo is new but forever.

The selling contract they have authorized us to make with you is most liberal. In fact it enables you to own an Indiana Silo and to pay for it as it pays you. Let us explain it to you.

## HEARD ABOUT TOWN

"Teddy" Aldridge and Mack Lawson assisted Chief of Police B. D. Carter in handling the street fair crowds last week and did nice work in keeping the boys from pulling any rough stuff.

Sheriff J. G. Weatherford has added his son Francis J. Weatherford to his staff of office deputies. Frank is a fine young fellow and is being given a hearty welcome to Stanford as he is quite an addition to the list of marriageable young men in town.

Hubert Carpenter sold his R. C. H. car to Robert Carter last week. Mr. Carpenter had a lot of fun out of the vehicle last season, but it has a lot of riding left in it yet as the young ladies are very apt to find out soon.

Relatives here received news from Missouri of the death of Mr. Newton Baughman, at the advanced age of 94 years. He was a great uncle of Messrs. S. H. M. S., and L. K. Baughman, of Lincoln county and leaves a large family in Missouri.

"Corker" Stone, the I. J.'s crack linotype operator, who is really a young man in strength, went on with the Armenian wrestler in the athletic show at the street fair last week. "Corker" gave the professional all he could do for about three minutes but the latter got a strangle hold on the local lad and then the stuff was off.

Wallace Singleton has been carrying Rural Route No. 1, while John Engleman, Jr., is with his wife in Louisa, to attend the funeral of her mother, Mrs. Dawson. Wallace recently passed a fine civil service examination and is on the waiting list for a nice place in the government mail service which he is sure to get and where he will like his brother, Walter, "make good."

Senator R. L. Hubble, Sam J. Embury, Jr., Critt Eubanks and Dexter Ballou motored over in the first named's big car to Lexington Monday to see the race.

Miss Harriett Butler, of Hindman, was the guest of Miss Lucie Beazley several days last week.

Mrs. D. B. Southard and baby were the guests of her daughter, Mrs. W. G. McElce at Mt. Vernon last week.

Mrs. O. P. Nuckolls, of Pineville, returned home Monday after a visit to her daughter, Mrs. C. Hays Foster.

Mrs. Pauline Hays, of Crab Orchard, who has been visiting her daughter Mrs. A. S. Price, returned Monday.

Miss Sue Taylor Engleman, of Paris, attended the burial of her grandmother Mrs. Susan A. Harris here last Friday.

Miss Margaret Overstreet, of Parkersville, and Miss Mary Steele, of Junction City, were the attractive week-end guests of Mrs. E. E. Davis.

Dr. and Mrs. W. B. Penny and daughters, Misses Mary Cooper and Corrie, of Danville, have returned to their home after a visit to his mother, Mrs. Mary Penny.

Mrs. C. L. Gover and children and Mrs. M. A. Stone, and baby, Mildred, Mr. and Mrs. O. M. Huffman and family, of Danville, were the guests of Mr. and Mrs. John Meier at Highland last week.

Rev. P. L. Bruce who was called to Spring Hill, Tenn., because of the illness of his mother has returned and reports that she is much better.

P. L. Bruce is in Tennessee, on a visit to his sister, Miss M. L. Wade.

Mrs. Caswell Saufley reached here yesterday from Pensacola, Fla., and will be with her parents, Judge and Mrs. E. C. O'Keefe, for some time.

Lieut. Saufley, who has been in Pensacola for the winter and spring has left that city for Mexico—Frankfort State Journal.

Rev. A. Higgins, of Glasgow, Prof. Walter O. Hopper, of Mt. Vernon, Prof. George Hopper, of Munfordsville, and Miss W. H. Hopper, of Burnside, and Miss Elizabeth Higgins, of Cincinnati, attended the burial of their grandmother, Mrs. Elizabeth Higgins this afternoon.

Lincoln Boy Weds in Fayette Tomorrow

The marriage of Miss Sue Payne, of Fayette, to Mr. Turner Carver, of Lincoln county, will be a beautiful event of Wednesday. The wedding will be celebrated at Bethel church the Rev. James P. Smith, Jr., officiating.

Miss Nancy Payne, sister of the bride, will be the maid of honor. Mr. Bryan Carpenter of Layton, O., will be best man. The bridesmaids will be Misses Laura and Elizabeth Carpenter, of Lincoln county, sister of the groom, and Eloise Harvey, of Harriman, Tenn.

The groomsmen will be Messrs. Hamilton Payne, Robert Platt and Rufus Lisle, of Payne's Depot, and the little flower girls are Elizabeth and Margaret Thompson, of Lexington. After the ceremony the couple will leave for a bridal trip and will then go to Lincoln county to make their home—Lexington Herald.

## WOMAN COULD NOT SIT UP

Now Does Her Own Work. Lydia E. Pinkham's Vegetable Compound Helped Her.

Ironton, Ohio.—"I am enjoying better health now than I have for twelve years. When I began to take Lydia E. Pinkham's Vegetable Compound I could not sit up. I had female troubles and was very nervous. I used the remedies a year and I can do my work and for the last eight months I have worked for other women, too. I cannot praise Lydia E. Pinkham's Vegetable Compound enough for I know I never would have been as well if I had not taken it and I recommend it to suffering women."

Daughter Helped Also.

"I gave it to my daughter when she was thirteen years old. She was in school and was a nervous wreck, and could not sleep nights. Now she looks so healthy that even the doctor speaks of it. You can publish this letter if you like."

Mrs. RENA BOWMAN, 161 S. 10th Street, Ironton, Ohio.

Why will women continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

Mozart Recital Postponed

The Mozart recital that was to have been given this afternoon, by the Mozart Club, at the graded school building has been postponed until Wednesday afternoon.

MT. SALEM

Mr. M. S. Burton and Miss Mattie Burton, have returned home from Somerset, where they attended the burial of Mr. Stone Grigsby, who died in Cincinnati, last week. He leaves a wife who was Miss Mattie Burton, and three small children.

Miss Laura Grider, of this place is with Mrs. Stroud Gooch at McKinney.

Mrs. John McKinney, was in Hustonville Thursday afternoon.

Miss Ethel Grider was the guest of Mrs. Mattie Vest, Wednesday.

Mr. H. B. Floyd and wife were in Hustonville Saturday.

Farmers are getting busy in this section, gardening and planting corn.

Mrs. Mattie Vest, and mother, Mrs. Eliza Grider, visited Mr. Grider and family Thursday afternoon.

Mr. G. I. Austin, and family have moved into their new home, which they recently bought from Mr. Emmett McCormick.

Mrs. Sam Dameron and Mrs. Boss Grider were the guests of Mrs. Robert Dameron one afternoon last week.

Many Additions to the Order of Owls

Craig Thomas has been in Stanford for the past few days where he secured a large number of new members for the Danville Nest of Order of Owls. He was assisted in getting the new men by Dr. J. T. Hammonds. The local lodge has grown by leaps and bounds and is now one of the largest and most flourishing in the State—Danville Advocate.

New Law to Reform School

The population of the State House of Reform at Greendale will be cut one-third, it is estimated by the operation of the new law, fixing the minimum age for commitment at 10 years and providing that if a child between the ages of 10 and 16 years is sent there for offense below a felony, the county must pay the cost of transportation and \$100 annually for keeping him there. About 200 is the average number of children between the ages of 10 and 16 committed for incorrigibility and minor offenses. A number of county judges have inquired where the law goes into effect, which will be June 15.

Praise for the K. P. Fair

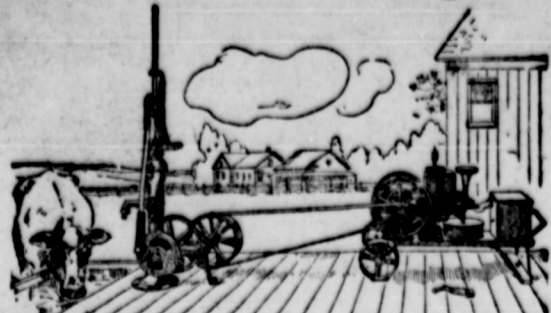

The Knights of Pythias of Lincoln county will hold their third annual fair at Stanford August 19, 20 and 21. It is needless to say that it will be a good one, their former successful exhibitions having established that fact. The fairs are most enjoyable to all who attend them, as well as financially successful. When the K. P.'s get behind a proposition it is put through with a rush, and especially is this true of the Stanford contingent, where they have one of the most flourishing lodges in the State. Success to you, boys! We'll help you all we can—Richmond Climax.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running or imperfect hearing, and when it is entirely closed you are deaf. It is not until the inflammation can be taken out and this tube restored to its normal condition that hearing will be restored forever; this cannot be done by any local application, as they cannot reach the diseased portion of the ear. **BUY an International Harvester engine, take care of it as any machine should be cared for and a dozen years or more from now it will still be working for you.**

It will save you and your family endless hours of hard labor in pumping, sawing, grinding, spraying, running separator, etc.

Buy an IHC engine. They last longer, burn less fuel, are simpler, and give you most power. Here are a few of the reasons: Offset cylinder heads, large valves, accurately ground piston and rings, heavy drop forged crank shafts and connecting rods, etc. Best material and construction mean the best engine. IHC engines are built in all styles, and in all sizes from 1 to 50 H.P. They operate on low and high grade fuels.

Not every local dealer handles IHC engines. The one who does is a good man to know. If you do not know who he is, we will tell you when you write us for catalogues.

## Before Mating Your Mare Glenworth Farms

Home of Bohemian King 2410

We have a number of fancy bred, registered stallions including Director 3657, Pisgah Denmark 2604 and Alhambra 4981. DIRECTOR is 15.3 hands, faultless in conformation and type; by Bourbon King 1788 dam Cathay 1470, by Hamlett 113. He has proven an excellent sire.

PISGAH DENMARK a 16-hand horse of the ever-popular chestnut color, is by Emerald Chief 1232 dam Belle, C. by Harrison Chief 1066. He is bred right and will, therefore, breed right.

ALHAMBRA is a full brother to the celebrated Plaudit, being by Marvel King, and having for his dam the famous Rowena T. 4880, by Woodland Echo, by Highland Denmark 730.

Will make very attractive teas—Optional, if desired.

Full information on request Your Patronage appreciated.

Farm us your mares—We have a market.

Come to the farm—There's a welcome for you.

### Samson

Registered Percheron Stallion 78868  
This is a splendid type of the breed. Black with star in forehead. Foaled May 25th, 1910.

SIRE—The great Percheron horse, Sam, 25055 (54608) an imported horse from France, a winner at the International at Chicago; also twice winner at Virginia State Fair, tipping the scales at 2450 pounds.

DAM—Mason Girl, Registry No. 48989. A beautiful black mare weighing 1800.

He will make the season at my farm at Knoblick Station, Lincoln county—better known as the "Sowell Givens farm," at

\$10 to insure a living foal. Money due when colt is foaled, mare traded or removed from county. Care taken to prevent accidents, but not responsible should any occur.

### GOATS FOR SALE

To reduce my flock I have a few goats for sale. To one who has "tush" land they are better than a grubbing hoe, more profitable and harder than sheep. Fearless of dogs and better browsers than either sheep or cattle. To clear land, they are invaluable. Call on or address J. H. QUINSENBERRY, Mgr., Arabia, Lincoln county, Ky., Railroad station, South Fork. 29-8

### Two Great Stallions

Standing at Hustonville  
I will stand the two great draft horses WATZMAN and FRENCH for the season of 1914 at my farm near Hustonville, at the low sum of \$10 each to insure a living colt.

Watzman is an imported German coach horse. He sold for \$3,000 originally. I have used him two seasons and his colts show for themselves what he can do, all coming large size and with lots of style. His colts show too well what he does, to need an extended description.

French is a Percheron, and a Company horse originally and sold for \$2,400. I bought him in Metcalf county, where he has done splendid work in the stud. He produces splendid colts, the big stylish fellows with fine bone and shape. He will attract attention anywhere and is the kind of a breeder owners of mares are looking for. He weighs 1,900 pounds and gets colts like him.

I also have two or three fine, big mule breeding jacks which I will also stand at \$12 and \$10.

FOR SALE.—Three Shetland ponies coming five, three, and two years old. Two mares, one horse. Extra nice, speak quick. Jno. R. Yeager, Danville, Ky. 34-4.

I HAVE a draft stallion, George Hur, Jr., that will make the season of 1914 at my place on the Somerset pike at \$10 to insure. Will also stand one of the best mule jacks in Kentucky at \$10 to insure. He is the finest little Shetland in the state and has won over them all. M. S. Baughman, Stanford, Ky.

Charles Wells, of Eubank, bought of Jake Wesley, a three-year-old saddle horse for \$150.

R. C. White, of the East End, sold a Lancaster Monday a nice six-year-old mare to Shirley Hudson for \$175.

George W. Tucker, of Parksville, sold to Mr. Blair, of North Carolina, an extra Jersey cow and calf for \$62.50.

Clarence Tucker, near Parksville, sold to Mr. J. C. Johnson twenty-three 100-pound hogs to go about May 1st, at 8 1-4c per pound.

N. J. Sturgill has bought a part of the farm of Jno. C. Graybill, one mile west of London, and has moved to his new home. Mr. Sturgill bought the residence and other improvements and 75 acres of land for the price of \$3,000.

Frank North, a prominent farmer of near Hustonville, delivered to Whitehouse & Johnson, stock dealers, of Danville, 37 head of 140-pound hogs at eight and one-half cents per pound. Shel Gatts, of Boyle, sold to James Spilman, of Harrodsburg, eleven heifers. He bought of W. D. Williams three heifers for \$100; also of Clay Bottoms of Lincoln county, nine yearling steers at a good figure.

The Lancaster Record says that R. E. McRoberts bought a Jersey cow and week old calf of Edgar Price, for which he paid \$80. The calf being a beautiful heifer, attracted the eye of J. I. Hamilton, and he offered the owner fifty cents a pound for it, which was promptly accepted. The calf weighed 52 pounds and cost Hamilton \$26.

Notice to Knights of Pythias  
Bro. George Moore, Superintendent of the Pythian Home will visit on Wednesday evening in the interest of the Rathbone Bible Class. We request a full attendance. There also be work in the ranks of Esquire and Knight. W. W. Saunders, K. R. S.

\$5,000 Cattle Deal in Marion County  
A cattle deal involving almost \$50,000 was consummated recently when Fox, O'Daniel & Co., of Lebanon, sold to parties in the East 550 head of cattle which the firm had been slopping at the distillery of Mueller, Wathan & Robert. Twenty cars in Marion county were shipped from Lebanon. The shipment was made to the New York City firm of Dressed Beef Co. The price received for the cattle by the Lebanon firm is said to have been \$7.90 per hundred pounds, and as it is believed they will average 1,150 pounds each it will be seen that the deal will amount approximately to \$50,000.

Finest Pear Tree in the World

The most valuable fruit tree in the world, so far as can be learned, is an avocado, or alligator pear tree, owned by H. A. Woodworth, who lives on a five acre orange ranch, at Whittier, Cal. The tree is insured against damages by wind or fire with Lloyds of London for \$30,000. During the year 1912 it yielded its owner a profit of \$3,200. The tree is enclosed by a slate fence thirty feet high, which the insurance company requires Mr. Woodworth to maintain.

Seven years ago the tree sprang from the seed of an avocado that was growing wild in the highlands of Mexico. Burt Rideout, a Los Angeles county nurseman, planted the tree on his ranch, and when it was three years old he sold the five acre ranch to Mr. Woodworth, a retired Wall Street broker.

Nobody suspected that the tree would prove the money maker it is. The average alligator pear tree does not come into bearing until it is eight or ten years old. Mr. Woodworth's avocado began bearing in its fourth year. During the fifth year it produced \$1,716 worth of fruit and bud wood. In its sixth year it gave up \$3,200 worth of fruit and bud wood. \$1,500 of which was derived from the sale of alligator pears at the rate of \$6 a dozen, and \$1,702 came from the sale of buds at from 10 to 20 cents apiece.

Where Will Feeders Get Cattle?  
Unless there is a drouth this summer there will be no feeder cattle on the bargain, says the market forecaster of the Valley Farmer. It seems that Mexico and Canada will both be out. A big corn crop would further increase the need of cattle for feeding nearly 50 per cent over the fall demand of 1913. Some feeders are buying cattle now before they take on a grass full, some are holding off on account of the high prices, and still others are waiting for the opening of summer to get a line on the feed situation. In a year following a drouth there is always greater economy in preserving feed. This in itself ought to be insurance of large supplies of feed for 1915.

### Kentucky Gentleman 5167

Kentucky Gentleman has been pronounced by competent judges to be one of the greatest young horses in the state. He is just the right size—15 3-4 hands; weight about 1,150 pounds. He is almost perfect in conformation and his color is ideal, being a dark chestnut with white hind feet and a star and snip. He has a beautiful mane and tail.

Kentucky Gentleman is especially good in the shoulders, withers, back and quarters. He has the best of feet and legs, and is perfectly sound in every way. He is an impressive horse standing still but is more so in motion. Sets himself perfectly and is a true gaited horse; never touches himself anywhere and has exceptional speed at the rack and trot. Last year with very little handling his trainer stepped him in a quarter in 34-2 a 2-48 gait. He has wonderful intelligence and is kind and gentle.

Kentucky Gentleman is a typical Kentucky saddle horse—the kind the whole world loves and admires. His breeding is the very choicest. He is by Chester Peavine 3148, by Rex Peavine 1796, by Rex McDonald 833, by Rex Denmark 840, Dam Flora Carter 8419, by Red Squirrel 53, by Black Squirrel 58, by Black Eagle 74, by King William 67.

This grand young horse has proven himself to be an exceptionally fine breeder, and I offer his services to the public at the very low price of \$200 to insure a live colt. Money due when colt is foaled or mare parted with.

The best of attention given to mares but not responsible for accidents, should any occur.

Kentucky Gentleman will make the season of 1914 at my place one mile from Stanford on the Danville pike.

**Voltaire**  
Percheron Society of America

Voltaire is a handsome Percheron stallion, perfect in conformation and weighs about 1,900 pounds. He has proven himself to be one of the best breeders in the state. His colts show for themselves. Each man thinks his colt is the best.

He has great action for a big horse; can get up and go like a trotting horse. The progressive farmers are breeding to draft horses more every year. They realize that little weak teams cannot do the work as it should be done. Lots of our farms have been ruined by shallow plowing, causing soil to all wash away. But it was the best that could be done with the teams we had. No successful farmer can afford to pay the price we have to pay now for farm laborers and send them to the field to do a day's work with a small team. So to get the best results you have to have improved machinery and a good big team to pull it with. The only way to do this is to raise good horses and Voltaire is the best big horse in the country to breed to for that kind. He has proven it by what he has done.

Your brood mares will not last all ways; are raising young ones to take their place. Don't you think now would be a good time to do so, while you have such a horse close to you? Voltaire will make the season of 1914 at my place one mile from Stanford on the Danville pike at \$15.00 to insure a live colt.

**Glen Brook**  
A HIGH GRADE STALLION  
My high bred five-year-old Chestnut Sorrel Stallion will make the Season of 1914 at my barn on the old fair grounds at Hustonville, Ky. He is 16 hands high weight 1,200 pounds. He will serve a limited number of mares at \$15 to insure a living colt, season due when mare is parted with, or leaving the county. This stallion is by Ashland Brook and out of standard bred trotting mare. He has proven to be a great breeder, having his colts to show for him. His colts are all saddle colts, with good style and action. Call and see a good horse before breeding time comes.

**JIM REED**  
I will also stand the great mule jack Jim Reed, the well known mule jack by the old jack of Jim Reed's. Having sold his colts at \$100 at weaning time and is a fine breeder, having colts to show for him here. He has a large bone and his colts have good bone and style. He will stand at \$10 to insure a living colt. Money due when mare is parted with or left the county.

**B. W. LEIGH, Hustonville, Ky.**

**BOSSEAU**  
I will stand my fine registered Percheron Bosseau at my farm on the Stanford and Hustonville pike, one mile East of Hustonville for the season of 1914 at

\$15 TO INSURE A LIVE COLT  
Bosseau is a fine big boned animal, weighs 2,050 pounds and is just the kind to breed to, to get your big mule mares.

**SHELBY SULTAN NO. 117497**  
This Jersey Bull just received from Shelby county, Ky., and by Chas. Bright's Imported Bull Pansy Sultan that cost \$1,300 and a proven breeder of merit—by the grand bull Sultan of Oakland, first prize on the Island in 1906. First prize Sweepstake breeders cup. Reserve champion and first prize bull over Jerseys in class for bull and progeny, 1907, also the highest price was paid for him that any bull ever brought on the Island at public auction. He descends direct from champions, Flying Fox and Imported Fern Lad. Shelby Sultan is out of a cow of W. I. Scott's breeding of Scott's Station Shelby county, Ky., (one of Kentucky's best Jersey men)—Coming from the noted Sensa family, that has produced him so many prize winning and high yielding cows. His first dam is Miss Sisela by Sensa's Hero bred by W. L. Scott and by Sensa's Pride, with 15 in list and Sensa his dam with a test of 21 pounds in 7 days and inheriting the best blood of the Island direct from St. Helia, Butter King and Torment.

This royally bred and tuberculin tested young bull will make the present season at my farm near Stanford, Ky., at \$50.00. Money due when service is rendered. Return privilege granted.

## Winners on the Track and In the Show Ring Against the Best in the Land

The only real proof of the individuality and soundness of the stallion to the show ring. It gives Melrose Farm great pleasure to again offer the services of the well-known horses, Thistle Doune, winning race record 2:09 1-4 on the grand circuit and winner of the champion roadster stallion class at the Kentucky State Fair, 1913, and Chimewood, 2:19 1-4 considered by many the handsomest trotting stallion in the world, winner of the trotting bred stallion class at the Kentucky State Fair, 1913.

Baldy McGregor 2:06 3-4, who recently sold for \$40,000.00 in Europe and Lassie Mc Gregor, who recently sold for \$10,000.00 in this country, are a brother and sister of Thistle Doune, 2:09 1-4, who is himself the sire of Zulu ka 2:20 1-4 and Madora Doune (2), 2:26 3-4, and who has a large number of colts in training in the hands of Kentucky's famous reinsman, Ben Kennedy, and it is confidently expected that a number will race to fast records this year.

Chimewood has the distinction of being more sought after by Government Commission than any stallion in America, and they offered the largest price, \$3,000.00 cash, they offered for any stallion, which was refused.

TERMS are Thistle Doune, \$35.00 to insure; Chimewood, \$25.00, to insure. Mares kept on grass at owner's risk.
